The following candidates have been nominated for the 2016 ITE Wisconsin Section Board. Affiliate Members will have the opportunity to vote for the Affiliate Director (Year 1). International Members will have the opportunity to vote for Secretary, Member Director and Affiliate Director (Year 1). The nominating committee consisted of: Rich Coakley (Chair), John Bruggeman and Dawn Krahn.

Past President	Dawn Krahn
President	Stephan Hoffmann
Vice President	Brian Porter
Treasurer	Yang Tao
Secretary	Candidate #1 Allan Pacada Candidate #2 Stacey Pierce
Member Director	Candidate #1 Kelly Greuel Candidate #2 Anne Holzem
Affiliate Director (Year Two)	Ashley Vesperman
Affiliate Director (Year One)	Candidate #1 Kyle Henderson Candidate #2 Eric Schoon

Secretary Candidates:

Allan Pacada

I am originally from California and graduated with a Bachelor's Degree in Civil Engineering from the University of California - Davis in 2001. After graduation and before moving to Milwaukee in 2008, I worked as a construction engineer for Kiewit Construction. I was also a project engineer for EMCS, Inc. at their Milwaukee office, where I worked on a variety of projects, including STH 67 & CTH B Intersection in Oconomowoc, Mill Road and Pilgrim Road in Menomonee Falls, Mayfair Road and Bluemound Road in the City of Wauwatosa, as well as the GMIA Runway Safety Improvements project and the Hank Aaron State Trail Extension. Currently, I am a project engineer on the highway & roads division for Bloom Companies, LLC. and I am also a registered Professional Engineer in the state of Wisconsin.

Institute of Transportation Engineers

P.O. Box 1107

Milwaukee, WI 53201-1107

Since 2008, I have been actively involved with the ITE Wisconsin Section and I am your current Section Meeting Committee Chair, which I have proudly served for the past four years. In 2013, the Wisconsin Section was the recipient of the ITE Section Activities Award, which I was proud to be a part of in organizing the section meetings. That same year, I was also involved with the Local Arrangements Committee for the ITE Midwestern District Annual Meeting in Milwaukee. I served as the chair for the Social Activities and Family Program Sub-Committee that arranged social activities/events, such as the Brewers game, Summerfest outing and a scavenger hunt. Currently, I serve as the Member Director for 2015 Wisconsin Section Board and I'm also involved with the 2017 ITE Midwestern District Annual Conference Planning Committee.

If elected as Secretary, I will continue to devote my time and effort to an organization that I truly believe in. I will also serve on the Section Board to the best of my ability, promoting growth and progress within our own section.

Stacey Pierce

Stacey is the leadworker for the Safety & Regulations team in the WisDOT Southeast Region, and has been a traffic engineer for more than 20 years. She is a UW-Platteville graduate, and a professional engineer as well as a PTOE.

She has enjoyed taking photos, working on the yearbook and planning social events for Wisconsin ITE, and hopes to continue her service to the organization. At home, she enjoys playing boardgames with her family and reading.

Member Director Candidates:

Kelly Greuel

Kelly has been a traffic engineer for the Madison AECOM office for the past eight years. She earned a Bachelor's Degree in Civil Engineering at UW-Madison and is a registered Professional Engineer and a Professional Traffic Operations Engineer in the State of Wisconsin. She has a wide-range of traffic experience, including numerous projects in traffic safety, traffic signal design, and traffic operational analysis. Kelly is currently working on a variety of projects including the I-39/90 expansion project south of Madison. In addition to her project involvement, Kelly is active in professional organizations. Her involvement with ITE started nine years ago when she was a student. She currently serves on the 2016 Section Meeting Committee and she was a committee member for the 2013

ITE Midwestern District Meeting that was held in Milwaukee. Kelly is also very active in ASCE, where she currently serves as a Director on the ASCE Southwest Branch Board and is involved in the Younger Member Group.

Anne Holzem

I grew up in Southwest Wisconsin and received my undergraduate degree from UW - Platteville. Recently I obtained a master's degree from North Carolina State University where I was the Vice President of the student ITE chapter. I have experience in transportation safety and research, transportation and structural consulting and design. I am also a member of WTS and involved with several TRB committees. Currently I am working as a Project Engineer with Patrick Engineering in Green Bay. I am licensed in WI, NC, and this summer passed the PTOE. Outside of work, I love to spend time with my husband and daughter, work on remodeling our home, and when time permits, workout at

Crossfit.

Affiliate Director (Year One) Candidates:

Kyle Henderson

Kyle has been with Strand Associates, Inc. for more than 8 years after graduating from the University of Wisconsin-Platteville in 2006. His focus has been in traffic engineering, intersection design, and roundabout design. Kyle has had the opportunity to be involved in the modeling and design of many unique intersections including the Verona Road Single Point Interchange (SPI) and the State of Wisconsin's first Diverging Diamond Interchange (DDI) at I-39 and Avalon Road which should open in late 2016. Outside of work he enjoys spending time outdoors with his wife Liz and son Kelby exploring Wisconsin.

Erin Schoon

Erin is currently a Traffic and Safety Engineer for the Bureau of Traffic Operations with the Wisconsin Department of Transportation (WisDOT). She holds a bachelor's degree in Civil Engineering from the University of Wisconsin – Milwaukee and has over 6 years of professional experience, including previous employment with the WisDOT Southeast Region, Ayres Associates and Patrick Engineering. Throughout her career she has worked on several construction projects, completed a variety of traffic engineering tasks which

included: TMP's, traffic analyses, Speed/Safety Studies, School Safety Studies and crash analysis; she also managed the SE Region backbone program and completed 30% designs. Erin currently works with safety related projects and represents the Bureau as an Improvement Project liaison to the Northeast and Southeast Regions.

Erin has been an active member of ITE as a student and as a professional. In 2013, she was involved with the Local Arrangements Committee for the ITE Midwestern District Meeting in Milwaukee, serving on the Social Activities committee. Erin was also a recipient of the Ken Voigt Young Member award in 2012 and was able to attend the ITE Conference in Atlanta. She is also a registered Professional Engineer in the State of Wisconsin.
