MEETING NOTES

Date: Tuesday, September 24, 2019

ITE Wisconsin SimCap Fall Meeting

Location: MSA Professional Services, Madison

Attending: {See Attached}

- Eric Frailing kicked-off meeting at 11:38 AM

- Vicki Haskell provided WisDOT/BTO updates including:

  o Highlights from recent TEOpS policy transmittal
  o FDM 11-5-3 moved into TEOpS
  o Current software listing is now on website

- Jess Billmeyer provided National SimCap updates:

  o Looking to have national call for a project this fall
  o Gathering and publishing links to state simulation and capacity analysis guidance, as it is currently difficult to find

- Rob Beuthling & Joe Ulatowski presented on StreetLight data used in O-D model development

- Eric Frailing closed with soliciting ideas for future WI ITE SimCap meetings. Ideas included:

  o Safety certification process, incorporating IHSDM (Brian Porter? SRF project?)
  o SSAM (FHWA)
  o Environmental Justice: Trip Types and Socioeconomic Data – how this impacts StreetLight project

- Meeting concluded at 12:44 PM

NOTE: Audio & video of the meeting is available upon request.

Next meeting planned for February/March 2020.
